PROPERTY DESCRIPTION

You will find that the homes in The Reserve of Hidden Lakes, show elegant taste for good use of space and quality of material, the superb design is bright and economical. We are sure that you would love to call these Single Family attached homes, Home. With the cost of energy going up almost monthly, it was decided that the homes in The Reserve at Hidden Lake should be built energy efficient. This is why the air condition has two zones, one for the ground floor and another one for the second floor. The walls are insulated and rated R-13.5/14.5 and the roof has R-30 insulation. All appliances are energy efficient and all rooms have paddle fans, to mention a few items. Ask us about our double stimulus packet for the month of July. **Payments as low as \$934 per month (contact Petur at 321-263-5096 for details).**
